PART I - SECTION B - SUPPLIES, SERVICES, PRICES/COSTS

For the transcription, pressing, binding and distribution of braille magazines in accordance with the specifications #410 and #801, and contract statement of work, terms and conditions.

BID CALCULATION:

All quantities expressed for stating unit costs are estimates; actual number of braille pages and number of copies will vary throughout magazine subscription year, as will number of subscriptions.

A "braille page" is a master page in braille format, or printing plate.

A braille" pressing" is a copy of a braille page produced on the press.

(1) Transcription Unit Cost/Master Braille Page shall include transcribing, proofing, etc., through production of plates and cost of shipping control copies to NLS/BPH Quality Assurance Section by two-day delivery (UPS, FedEx, or U.S. Postal Service).

(2) Duplication Unit Cost/Braille Pressing shall include price per braille pressing, text printing, binding, packaging and shipping.

Each magazine will be evaluated separately as this solicitation may result in award of contract in whole or in part; multiple awards may be made.

(3) Allowable Production Days (Calendar) includes weekends and holidays from the magazine issue date to the actual ship date.

Bid Unit Pricing per (1) and (2) above to be provided on page B-2 which follows.
